Subject: West Maui

☛Do you support more beach parks in West Maui? Olowalu? Hanakao'o? Pali to Puamana? ☛Here's your chance to help make that happen!

Your West Maui Community Plan Advisory Committee listened to you and fought hard to present a plan that prioritizes residents needs, now we need your help to fight shady developer interests with their greedy plans at the Maui Planning Commission. #NeedOverGreed

☛Email: Planning@mauicounty.gov
and say you support this plan.

"Areas of Stability- Throughout the community plan process, the community not only identified areas that should change in the next 20 years, but also areas that should remain the same. These areas of stability reflect several things the West Maui community cares about protecting for future generations, including cultural resources, special open spaces, environmental features and natural systems and continued agricultural production."

What: Maui Planning Commission Meeting

When: 10/13/20 Tues at 1:30pm

Yes to Parks and no to development!
Protect the open spaces and move the hi -way inland.

Build more parks along the ocean and improve the existing beach parks.
This is a great opportunity for west Maui.
Mahalo bradda Gary Savage.
