

Suggested Policies and Actions
Economic Opportunity through Innovation and Collaboration
Leilani Pulmano 11-4-19

Policies

1. Support agriculture that is small-scale and/or self-subsistence farming.
2. Support small businesses.
3. Support the arts and historic industries.
4. Promote wellness as an industry.

Actions

1. Develop a food hub in West Maui to help farms with production, distribution, and marketing services. (OED)
2. Manage water resources in order to provide water to farms through revitalization of plantation water infrastructure such as conveyance systems and reservoirs.
3. Provide funding for Economic Development Revolving Fund for small businesses.
4. Develop a restoration plan for historic buildings in Lahaina Historic district.
5. Establish performance and community space.
6. Provide a greater range and higher quality of health care services.
7. Provide elder care services.
8. Provide a flexible work space which could be the same space as the food hub and resiliency hub.
