Final Review of Revised Draft Plan for West Maui CPAC

Page #28: (after “In addition to visitor rental cars, add) *and limited access to safe multimodal transportation.*

Page #107: (At the end of the second paragraph, add) *During the community engagement portion of this process the broader community did not support the more Mauka development of Pu‘ukoli‘i, however, the CPAC felt it should be included on the plan to accurately reflect potential to build as Pu‘ukoli‘i has entitlements.*

\*Kahoma Village needs to be accurately reflected on the Maps. It is almost completed but is being shown as a project area (Lahaina Infill) on all maps.
